PROFILE SUMMARY

I am a motivated and detail-oriented front-end developer seeking a co-op opportunity to apply my skills in building responsive web and mobile applications. Experienced in React Native, HTML, and other technologies, I thrive in collaborative environments and adapt quickly to new challenges. With strong problem-solving and communication skills, I am eager to contribute to a dynamic development team.

EDUCATION

Computer Systems: Software Development

Mohawk College

- Expected Graduation: December 2025

SKILLS

- Problem Solving
- Detail Orientation
- Team Collaboration
- Technical Proficiency
- Adaptability
- Effective Communication

LANGUAGES

- React-Native
- HTML & CSS
- JavaScript
- C#

WORK EXPERIENCE

React-Native Developer (Co-Op)

FEB 2024 - APR 2024

Haletale - Toronto, ON

- Work in a team environment to develop a mobile friendly application, demonstrating the ability to collaborate with others.
- Actively learn React-Native using Redux-Toolkit to build mobile friendly pages, showcasing my ability to learn new languages quickly and efficiently within a short time.
- Develop mobile pages that look exactly like the replica given on Figma, demonstrating my ability to follow directions.

API Integrator

JAN 2025 - Present

ViB Digital - Toronto, ON

- Design and deploy scalable backend servers using Render, ensuring seamless performance and reliability.
- Implement robust API integrations with multiple endpoints to enable efficient data retrieval and interaction.
- Connect APIs to FlutterFlow application, delivering dynamic and user-friendly front-end experiences.
